## Agency Scorecard

## Agency Scorecard Overview

- Agency scorecard is a useful tracking tool that:
  - Captures a snapshot of current progress each agency is making to complete key BEACON HR/Payroll Project activities;
  - Identifies key activities that agencies may need additional support from the BEACON HR/Payroll Project Team to successfully complete in a timely manner; and
  - Allows agencies to document concerns to the BEACON HR/Payroll Project Team, which may trigger the need for additional support.
- Agency scorecard tracks progress with various BEACON HR/Payroll Project activities such as:
  - Attendance at monthly BST Sponsor/Lead meetings;
  - Communications survey requests;
  - Position classification requests;
  - Design session questionnaire responses;
  - BST member listing request; and
  - Workforce transition information requests.

## Agency Scorecard Status

- When documenting the status of each task, the following color coding is used:
  -  – **Green:** Task completed before or on due date, no additional support needed by BEACON HR/Payroll Project Team.
  -  – **Yellow:** Task not completed within 5 business days after due date, potential concerns may exist that require discussion with BEACON HR/Payroll Project Team.
  -  – **Red:** Task not completed; BEACON HR/Payroll Project Team support required immediately.
  -  – **Pink:** Task completion pending with special circumstances; BEACON HR/Payroll Project Team support required immediately.
- Each cell in the agency scorecard spreadsheet is highlighted with the appropriate color.

## Agency Scorecard Management

- The Agency scorecard will be updated weekly to reflect updates to tracking various change management activities and will be posted in the password protected area on the BEACON HR/Payroll Project website.
- Ongoing agency scorecard meeting, workshop and information requests will be focused on change management/communication activities.
- If BSTs have questions pertaining to the agency scorecard items, please contact Edward Brodsky at 919-431-6520 or email [edward.brodsky@ncosc.net](mailto:edward.brodsky@ncosc.net).

## What is Workforce Transition?

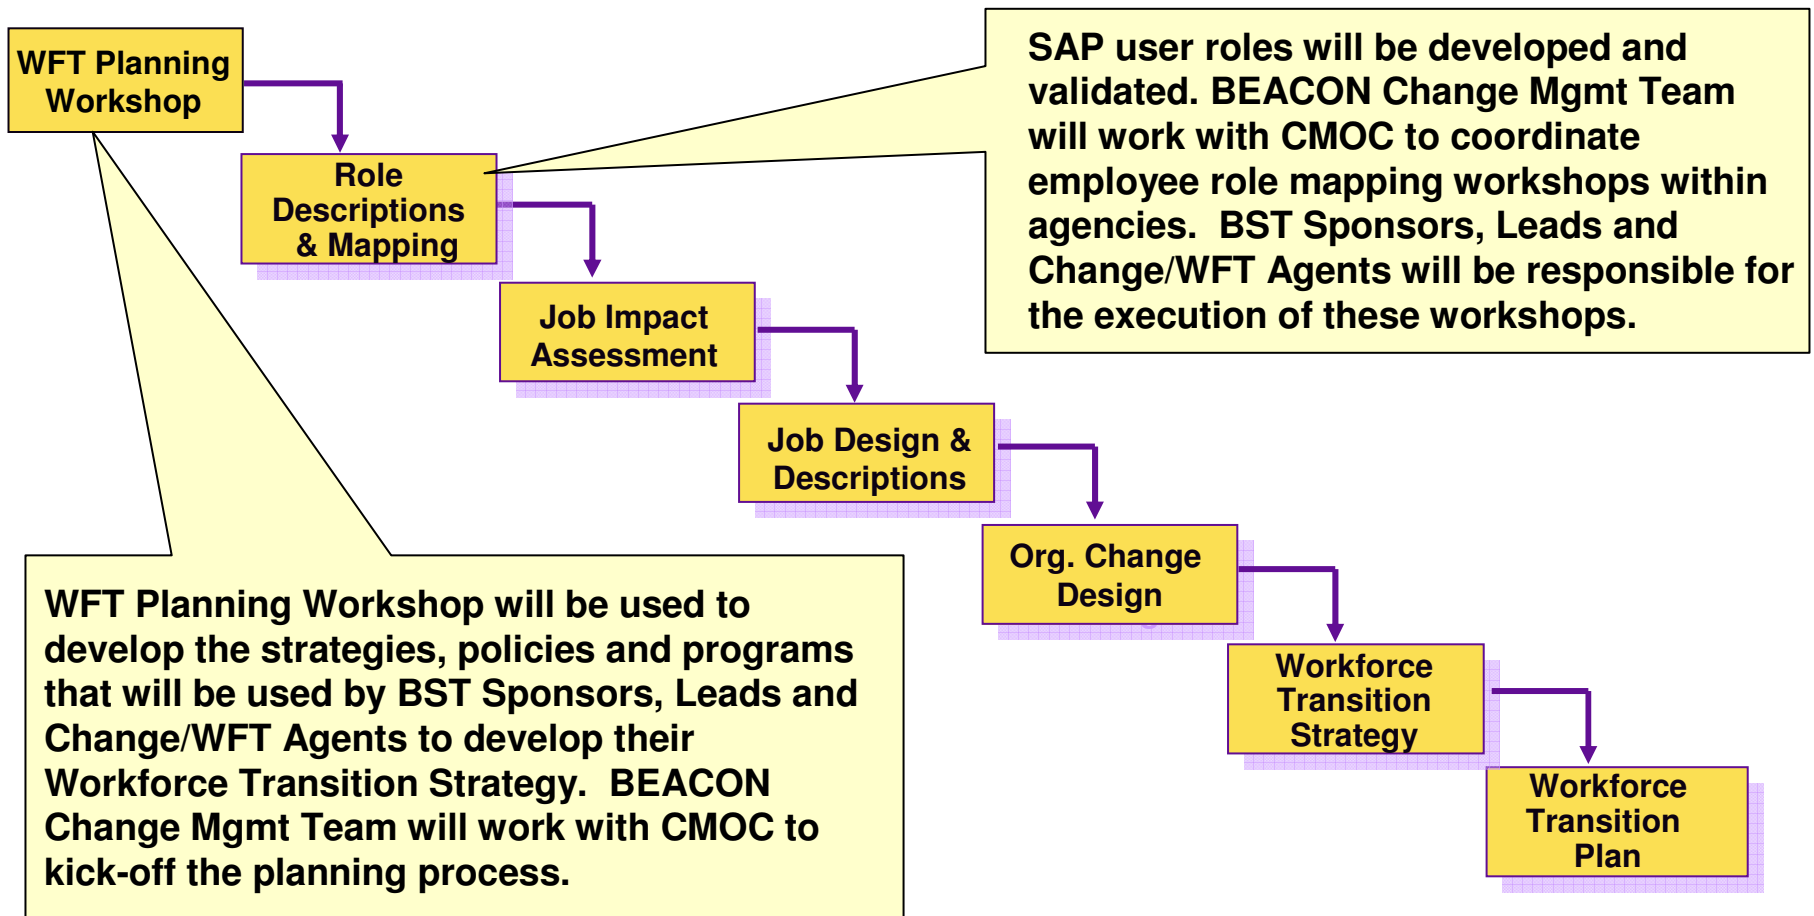

Simply stated:

- Workforce Transition (WFT) is a roadmap for managing all of the BEACON HR & Payroll job changes that will impact the State's workforce.

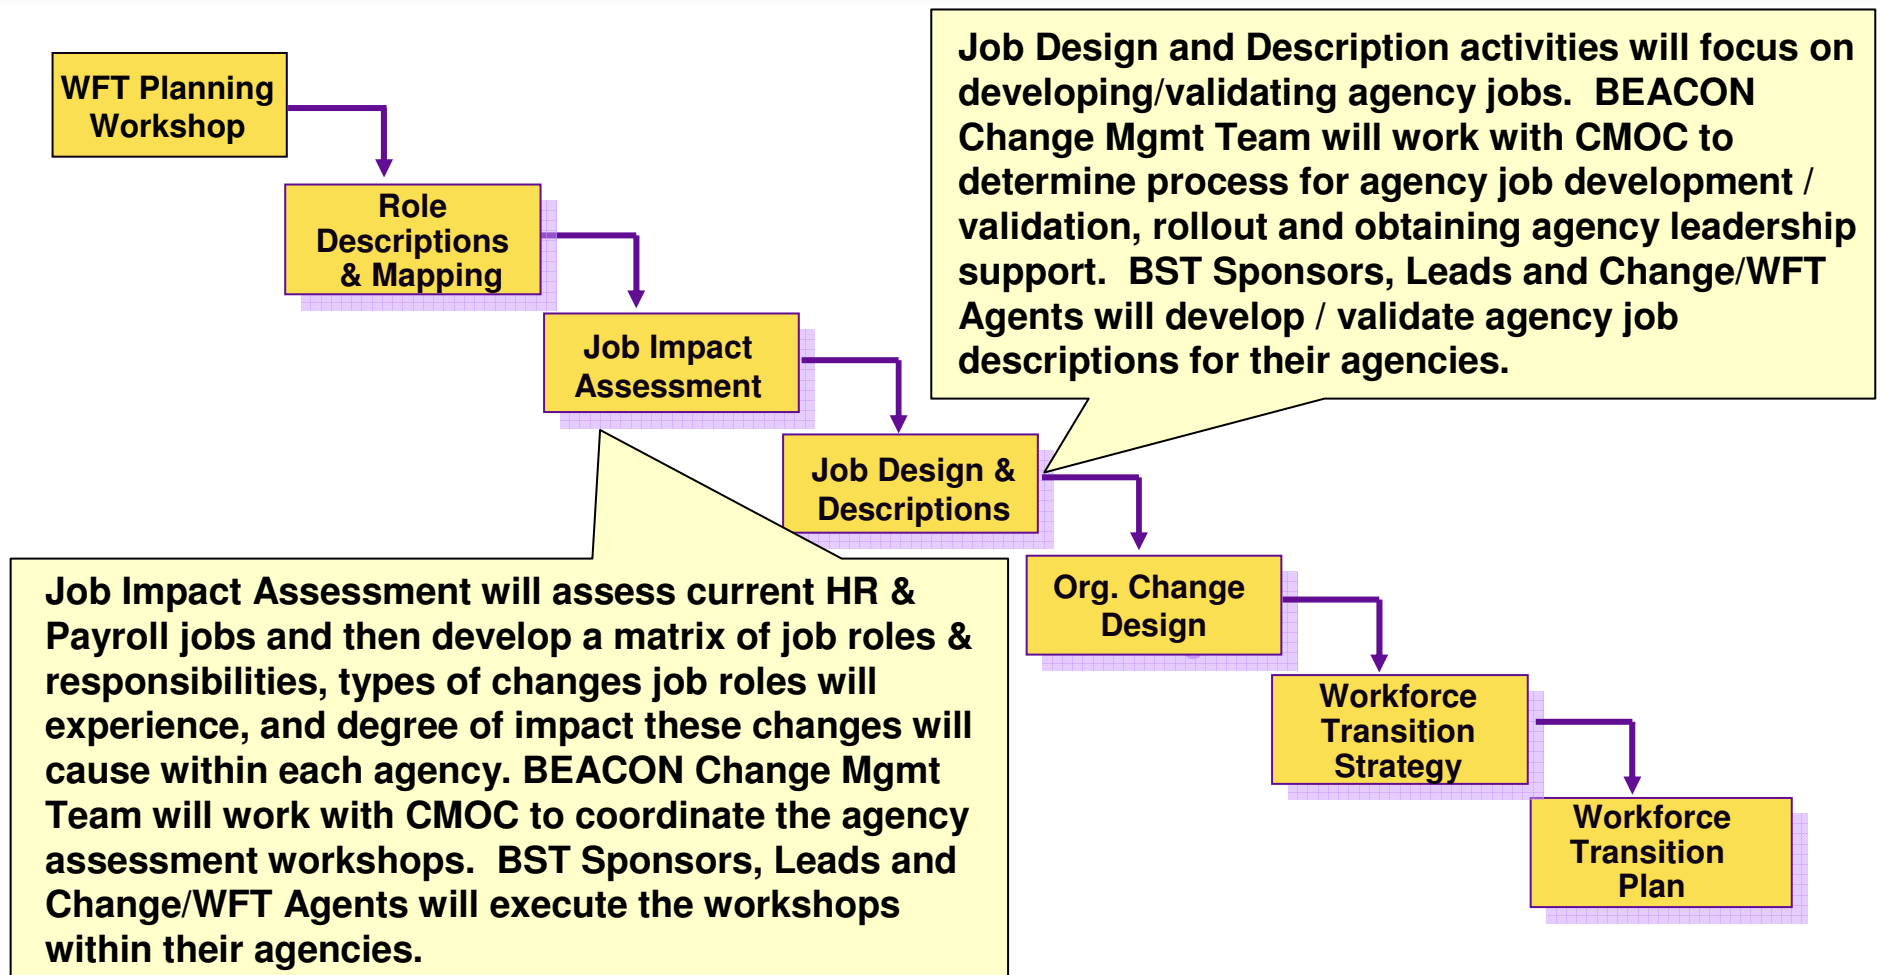

Purpose:

- To provide agencies with an understanding of how jobs will be changing and to guide the Human Resources function in transitioning the workforce into these updated or new jobs.
- It is **NOT** a process to eliminate people's jobs or reduce the workforce.
  - Note: Workforce transition activities will address sensitive organizational issues and will require confidentiality
